

South Alabama Rural Training (SART) Program addresses the ongoing need for trained administrative support professionals in rural healthcare facilities by offering free education and training to local community members.

We want to help you advance towards a brighter future!

Student scholarships will be offered to cover full tuition fees, stipends, books, and other related educational barriers to student participation.

Non-clinical Healthcare Careers:

- Medical Coding & Billing
- Insurance Claims Processing
- Electronic Health Records
- Medical Administrative Assistant
- Medical Office Manager, etc.
